Two-year-old Appendix gelding with a good start. Lightly started under saddle and has already been exposed to ranch work, including moving bulls. Quiet, willing, and athletic with a solid foundation for his age. He's the type that can be taken in several directions — ranch, rope, sorting, barrels, or continued on as an all-around using horse.

This gelding is a nice well muscled horse. He will have adequate size and ability to be a solid ranch and/or performance horse. His mother is a full sister to a horse I ride consistently. The dam was started as a 3 year old with no issues. She is gentle and well mannered. I expect this gelding to be easy to start with no issues and develop into a solid riding horse. Boudreaux is an NRCHA money earner and has 67 AQHA points in Versatility Ranch Horse,Breakaway, Heeling, and Jr. Working Cowhorse with a Performance ROM. This is a well muscled home raised filly. Her dam is by Howy (NCHA\$) and is a full sister to a horse I ride consistently. The dam was started as a 3 year old with no issues. She is gentle and well mannered. I expect this filly to be easy to start with no issues and develop into a solid riding horse. Boudreaux is an NRCHA money earner and has 67 AQHA points in Versatility Ranch Horse, Breakaway, Heeling, and Jr. Working Cowhorse with a Performance ROM. Top ten at the AQHA VRH World Show at the Lazy E in 2021 and 2022.

Lot **37** LEXIE

12 yr Sorrel Quarter Pony Mare

Owner: Cow Huntin (605)830-9836

Lexie is 13 hands, been ridden by Kort and Kalamity. Kort used at sale barn, and drug calves at branding, Kalamity used her at playdays and 4H.

Lot 38 KIT

10yr Bay Quarter Horse Mare

Owner: Andrea Kerkman (402)340-9852

Kit is a 10-year-old grade mare standing 14.2 hands tall. Don't let her size fool you

She is an absolute powerhouse with a huge motor and the athletic ability to excel in just about any job you ask of her.

Kit has been used extensively on the ranch and at the sale barn, and she's

proven herself to be a competitive rodeo horse. She has been goat tied, breakaway roped, and team roped off on both the head and heel side. We have recently started her on the barrels and poles, and she has shown exceptional potential with natural talent.

She was hauled to high school rodeos last fall where she traveled like a seasoned horse. Kit eats and drinks well on the road, loads and unloads herself, stands quietly for the farrier, and is an easy keeper.

One of Kit's best qualities is that she doesn't require constant riding to stay sharp.

She maintains her mind and athleticism with pasture riding and minimal arena time, making her a great option for someone who can't ride every day.

If you're looking for a handy, versatile mare that can work all week and compete on the weekend, Kit is ready to go.
